

Summer Camp is at Chicago Free School this summer!

Choice. Voice. Community. Inclusion. Exploration. These are the principles that guide CFS education -- both during the school year and now, at summer camp!

Chicago Free School brings its hallmark teaching philosophy to summer camp. The CFS aftercare director, **Ms. Moe**, will run the CFS Summer Camp, accompanied by various guest camp staff. Camp will be **based out of the CFS classrooms at KAM Isaiah Israel** (in Hyde Park, 1100 E Hyde Park Blvd, 60615), with field trips near and far. Read on for more info!

- **Camp is open to pre-K to 8th grade:** Our pre-K kids doing full-day camp will have a chance to nap, while kids who don't need a nap will have access to extra trips and excursions.
- **Full-day and half-day camp options:** Choose the price point or day length that best meets your needs! Full-day camp goes from 9am-4pm, while you can choose either morning (9am-12pm) or afternoon (1pm-4pm) for half-day options.
- **Select which weeks you want to enroll:** No need to enroll for all 8 weeks! Pick the weeks that work for your family's summer plans.
- **Before-care and after-care options to meet the needs of working families:** Our before-care allows you to drop off at 8:30am, while after-care lets you pick up as late as 6pm.
- **Sliding-scale fees to increase access:** Just like for school, we want high-quality summer camp to be affordable. We have a three-tier sliding scale for camp fees based on family income (subject to verification)
